## Price Comparison

V1 2026-07

The table below shows the average second-year prices for customers who haven't made a claim and choose to renew their home emergency breakdown cover with HomeServe. We've also included how our prices compare - because we think you'll like the difference.

\*HomeServe prices are based on the type of property you live in.

| Product                                         | HomeServe |          |          |          | HEA      |               |
|-------------------------------------------------|-----------|----------|----------|----------|----------|---------------|
|                                                 | Excess    | 1st year | 2nd year | Increase | 1st year | Saving        |
| Gas Boiler & Central Heating                    | £60       | £143.88  | £326.40  | 127%     | £108.00  | £218.40 (67%) |
| Gas Boiler & Central Heating with service       | £60       | £269.88  | £452.40  | 68%      | £191.25  | £261.15 (58%) |
| Heating, Plumbing & Electrics Plus with service | £60       | £449.88  | £741.60  | 64.84%   | £281.25  | £460.35 (62%) |

The table below shows what customers typically pay in their second year with British Gas (if they haven't made a claim). We've put this alongside our prices for similar cover - so you can see just how much you could save with HEA.

\*British Gas prices vary depending on things like where you live, how old your boiler is, and how many radiators you have.

|                                  |        | British Gas    |                |          | HEA            |               |
|----------------------------------|--------|----------------|----------------|----------|----------------|---------------|
| Product                          | Excess | 1st year price | 2nd year price | Increase | 1st year price | Saving        |
| Plumbing & Drains Cover          | £0     | £152.50        | £167.75        | 10%      | £80.00         | £87.75 (46%)  |
| Plumbing & Drains Cover          | £60    | £73.50         | £80.85         | 10%      | £64.00         | £16.85 (46%)  |
| HomeCare Essentials <sup>1</sup> | £0     | £394.81        | £434.29        | 10%      | £236.35        | £198.04 (46%) |
| HomeCare Essentials <sup>1</sup> | £60    | £280.89        | £308.98        | 10%      | £191.25        | £117.73 (38%) |
| HomeCare Complete <sup>2</sup>   | £0     | £510.26        | £561.29        | 10%      | £348.75        | £212.54 (38%) |
| HomeCare Complete <sup>2</sup>   | £60    | £324.04        | £356.44        | 10%      | £281.25        | £75.19 (46%)  |

<sup>1</sup>Boiler and Central Heating with service    <sup>2</sup>Includes service
