

You have chosen to purchase a **boiler service**. This document outlines the terms of **our boiler service** agreement. **You** should read it carefully and keep it in a safe place for future reference.

Should **you** have any queries regarding **your boiler service** or any other services offered by Home Emergency Assist, please contact **our** customer services department on 0330 094 8301 or at [customerservice@homeemergencyassist.com](mailto:customerservice@homeemergencyassist.com).

## How to arrange your service

Arranging the **boiler service** is straight forward and can be done in 2 simple steps.

### Step 1:

Once **you** have purchased a plan, **you** will be contacted by telephone and email within 2 working days of purchase. Appointments will be available 2-4 weeks from the date **you** purchase **your boiler service**.

### Step 2:

**We** will attempt to contact **you** a minimum of three times to arrange **your boiler service**. If **we** are unable to make contact with **you** and therefore cannot complete **your boiler service**, **you** will not be eligible for a refund, however **you** can contact **us** to arrange **your boiler service**.

If **you** are unable to keep the arranged appointment **you** must notify **us** at least 48 hours in advance. Rearranging **your** appointment within 48 hours of the scheduled appointment and missed appointments will incur a 'missed appointment fee' of £99.

If upon attendance, the **boiler** is inaccessible, inoperable or displaying a fault, **we** will be unable to complete **your boiler service** but **you** will still be charged. Subsequent visits to service the **boiler** will be charged at the normal rate. **You** are required to notify **us** of any issues which will prevent the **boiler service** from being carried out as soon as possible and not less than 48 hours before **your** appointment so that it can be rescheduled.
