PAY ON USE

Should an emergency arise that is not included under your policy, we can arrange for an approved engineer to attend your home, but you will be responsible for all costs involved. The use of this service does not constitute a claim under your policy.

REPLACEMENT OF PARTS OR COMPONENTS

We reserve the right to use replacement parts supplied from third parties in addition to those parts that may be sourced from the manufacturer or their approved suppliers. We are not responsible for any loss, damage or inconvenience resulting from a delay in obtaining or receiving delivery from the relevant supplier of any spares.

When replacement parts are received, we will contact you to arrange a suitable time slot for the engineer to attend. You should make sure that the engineer can get reasonable access to carry out the repair. If we cannot get a replacement part needed to carry out a repair our liability will be limited to a temporary repair to make the emergency safe.

If the repair relates to your boiler and the part takes longer than 28 days to source, we will deem your boiler to be Beyond Economical Repair. You may then be eligible for Boiler Replacement Contribution, if this cover level applies to your policy.

ANNUAL BOILER SERVICE

If your policy includes a provision for an annual gas boiler service then this will be shown in your schedule. This service is not part of the insurance contract underwritten by us and is also not regulated by the Financial Conduct Authority. Complaints relating to the boiler service are therefore not eligible to be referred to the Financial Ombudsman Service.

Boiler servicing will be completed in accordance with the current Gas Safety Regulations. Please make sure that you have the manufacturer's instructions available for the engineer when they attend. Please note that remedial or maintenance work is not included as part of your boiler service.

Once the agent has received the completed boiler service request form the agent will arrange for an engineer to visit your home to service your boiler in line with Gas Safety Regulations. Boiler services are normally carried out between April and September.

CLAIMS

To ensure an accurate record your telephone conversation may be recorded.

All requests for assistance must be made to the Claims Helpline Service and not to the engineer directly otherwise the work will not be covered.

Provided that the assistance is not precluded by adverse weather conditions, industrial disputes (official or otherwise), failure of the public transport system, including the road and railway network and repairs thereto, and any other circumstances preventing access to the home or otherwise making the provision of the assistance impossible.

There may be times when replacement parts are unavailable, delayed or are no longer available because of circumstances beyond our control. In the event of this occurring we will ensure that your home is safe and if required the engineer will provide you with a quotation for a suitable repair.

Please note that if you should engage the services of an engineer prior to making contact with the Claims Helpline Service any costs that you incur are not covered by this insurance.

Major emergencies which could result in serious damage or damage to life or limb should be immediately advised to the supply company and/or the public emergency services. Gas leaks must be immediately notified to the local gas company.

OBSERVANCE

Our liability to make any payment under this policy will be conditional on you complying with the terms and conditions of this insurance.

RECOVERY OF COSTS

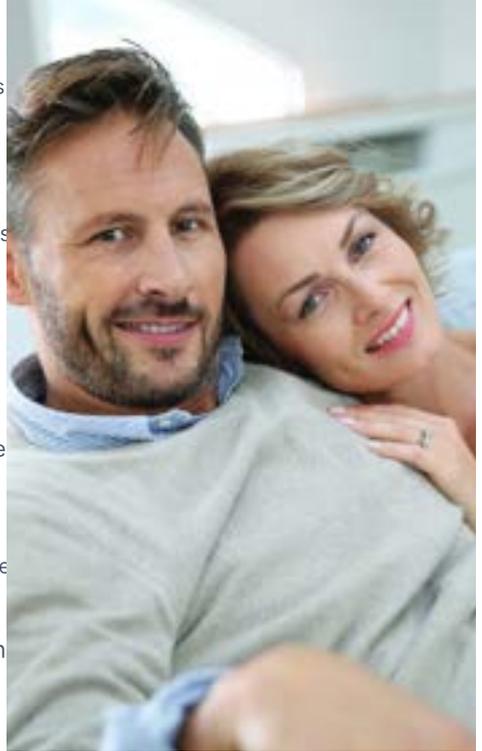

We may take proceedings at our own expense in your name to recover any sums paid under this insurance.

YOUR CONTRACTS

Your Contract with Home Emergency Assist (The Agent)

The agent will arrange and administer your insurance cover. If you need to contact the agent regarding your contract, please phone the customer services number or write to the registered address.

1. The agent will collect the premium in accordance with your instructions. Any monies relating to the insurance services that are held by us (including premium collected by us, premium to be refunded to you and claims monies) shall be held by us on behalf of the underwriter.

2. The agent can amend these terms and conditions for legal or regulatory reasons as well as to benefit the group as a whole. Where this change benefits you, we will make the change immediately and notify you within 28 days. In all other cases we will write to advise you of the change at least 14 days prior to any change taking effect. If the changes do not benefit you and you wish to cancel your policy, you may do so and we will follow the procedure as outlined under the section labelled 'How to Cancel Your Policy'.

3. The agent will write to you, if in the future it enters into an agreement with a new underwriter(s) for all or part of your policy, to confirm the details of the new underwriter and give you details of any changes to the terms and conditions of your policy. You hereby authorise the agent to transfer any personal data to a new underwriter, including data defined as 'sensitive personal data' under GDPR, and consent to the new underwriter being able to offer continuation of insurance cover to you. If at any time you wish to withdraw your agreement to this, please let the agent know by writing to the registered address.

4. The agent will write to you, if in the future it transfers in full or in part the arranging and administration of your policy to another arranger and/or agent to confirm the details of the new provider and give you details of any changes to the terms and conditions of this service. You hereby authorise the agent to transfer data for the purposes set out above, including data defined as 'sensitive' personal data' GDPR and consent to the new arranger and/or agent being able to offer continuation of service to you. If at any time you wish to withdraw your agreement to this, please let the agent know by writing to the registered address.

5. Your contract with the agent will run for a period of 12 months, beginning from the commencement date as detailed in your original schedule and periods of 12 months thereafter. Should you wish to cancel after the 14 day cooling off period following the sale or renewal of a policy, an administration fee of £35 is payable. This fee will be taken before your policy is cancelled.

Where your policy is cancelled either within or after the cancellation period and you have made a claim, your policy will be cancelled immediately and your premium will not be refunded. If you pay your premiums monthly you will be required to pay for the remainder of the 12 month period from the commencement date/last anniversary date.

ARBITRATION/MEDIATION

A dispute between you and us may arise, which may be referred to an arbitrator, who shall be either a solicitor or a barrister who you and we agree on in writing. If an arbitrator cannot be agreed then an arbitrator will be appointed by the authorised body identified in the current arbitration legislation. The decision of the arbitration shall be final and binding on both parties and he or she will decide who should pay the costs of the arbitration. If costs are awarded against you, they are not covered under this policy.

This arbitration condition does not affect your rights to take separate legal action.

If a disputed claim is not referred to arbitration within 12 months of your claim being turned down, we will treat the claim as abandoned.

PAYING YOUR PREMIUMS

The payment method you have selected will be confirmed in your schedule.

If you have selected a monthly payment method, you will make your payment from your bank account on an agreed date of each month and, subject to the successful collection of that payment, we will provide the cover detailed in this policy wording up to the date on which your next monthly payment becomes due.

If you have a premium finance arrangement in place please refer to the terms of the agreement with the finance provider. This insurance commences on the date shown on your schedule and continues upon receipt of your monthly payment. This insurance does not have a specified end date and cover will continue until either you or we cancel the policy. We will write to you on the anniversary of your policy to remind you of this and notify you of any changes to your cover or premium, should you fail to make a payment in any month, cover will cease with effect from the end of the month immediately before the date of the failed collection.

WHAT IF I MISS A PAYMENT?

If you fail to make a payment on the due date, your policy may be suspended and you will not be able to make a claim. The administrator will notify you in writing within 5 working days of the date on which the payment was due if you fail to make a payment. If you do not pay the requested amount within 14 days of the due date, your policy will be cancelled. You will remain liable for any due and outstanding payment for the period up to the date of cancellation. If you want to make a claim under your policy whilst your policy coverage is suspended, you will be required to pay any outstanding premiums before an engineer will be despatched to your home.

To ensure that your policy payments are kept up to date, the administrator may contact you several times daily. If you have more than one number attached to your policy, you may receive calls on both numbers.

RENEWING YOUR POLICY

Your policy will automatically renew following receipt of your payment for the period of cover as defined in your schedule. You can opt out of auto renewal at any time by contacting customer services. We reserve the right to adjust your premium or excess to reflect any changes in the cost of providing insurance, changes in applicable tax and your claims history will also be considered as part of your premium review.

If you pay monthly through our finance partner, a credit search will be completed before offering renewal terms. This enables us to offer you a credit facility for your renewal and ensure affordability. This will be completed even if you opt out of automatic renewal. The renewal will only take place in these instances if you have contacted to advise you wish to proceed.

We reserve the right to decline the renewal of this insurance policy. You will receive at least 14 days notice if we decide to not renew your policy and we do not need to provide a reason for doing so.

OUR RIGHT TO CHANGE THE COVER OR PRICE

You will receive at least 14 days written notice if we decide or need to change your policy cover or the price of your insurance for any of the following reasons:

1. To make minor changes to your policy wording that do not affect the nature of the cover and benefit provided such as changes to make the policy easier to understand;
2. To reflect changes in the law, in regulation (including any decision of a regulatory body),

PAYMENTS

or to any code of practice or industry guidance affecting the insurer or your policy;

3. To reflect changes to taxation applicable to your policy (including but not limited to insurance premium tax);

4. To reflect increases or reductions in the cost (or projected cost) of providing your cover, including but not limited to cost increases or reductions caused by changes to the number, cost or timing of claims which we, as part of our pricing policy, have assumed or projected will be made under this insurance product;

5. To cover the cost of any changes to the cover benefits provided under this insurance including but not limited to the removal of one or more policy exclusion(s);

6. To cover the cost of changes to the systems, services or technology in support of this insurance product.

We may make changes immediately and advise you within 28 days of the change having been made if the change is favourable to you.

YOUR CANCELLATION RIGHTS

1. Cooling-off period:

You can cancel this insurance, without giving any reason, within 14 days of its start date or within 14 days of receiving your policy documents; whichever is later.

If you wish to exercise this right, you must notify us. You will be entitled to a full refund of premium paid as long as a claim has not been made under this insurance.

2. Outside the cooling-off period

You can cancel this insurance at any other time, subject to providing the person who sold you this insurance with 7 days' notice. In the event of cancellation, an administration charge will apply.

Where your policy is cancelled either within or after the cooling-off period and you have made a claim, your policy will be cancelled immediately and your premium will not be refunded. If you pay your premiums monthly, you will be required to pay for the remainder of the 12 month period from the commencement date/last anniversary date.

Where your policy is cancelled after the cooling-off period and you have not made a claim, your policy will be cancelled and you will be entitled to a refund of any premium already paid to us for the remaining period after your policy has ended.

In any event, you will need to pay for any non-insured service(s) that you have received.

OUR CANCELLATION RIGHTS

1. General

We can cancel this insurance at any time, where there is a valid reason to do so, and in some cases, the cancellation may be with immediate effect. A cancellation notification will be sent to the email address held on your policy. Reasons for cancellation may include, but are not strictly limited to:

- a. Where we reasonably suspect fraud;
- b. Non-payment of premium;
- c. Threatening and abusive behaviour;
- d. Non-compliance with policy terms and conditions
- e. You have not taken reasonable care to provide accurate and complete answers to the questions we ask.

If we cancel the policy and/or any additional cover, you will receive a refund of any premiums you have paid for the cancelled cover, less a proportionate deduction for the time we have provided cover.

Where our investigations provide evidence of fraud or misrepresentation, we may cancel the policy immediately and backdate the cancellation to the date of the fraud or the date when you provided us with incomplete or inaccurate information.

This may result in your policy being cancelled from the date you originally took it out and we will be entitled to keep the premium.

If your policy is cancelled because of fraud or misrepresentation, this may affect your eligibility for insurance with us, as well as other insurers, in the future.
