

You have chosen to include an annual **boiler service** with **your** home emergency or home emergency and breakdown cover. The **boiler service** is a separate agreement but can be purchased alongside any of **our** insurance packages. This document outlines the terms of **our boiler service** agreement. **You** should read it carefully and keep it in a safe place for future reference.

Should **you** have any queries regarding **your** annual **boiler service** or any other services offered by Home Emergency Assist, please contact **our** customer services department using the details provided in **your** insurance policy booklet.

### How to arrange your service

Arranging the **boiler service** is straight forward and can be done in 2 simple steps.

#### Step 1:

Register **your boiler** details with **us**.

**You** can do this over the phone or online at <https://register.hea.services/#boiler>

Having correct information about **your boiler** is important so that **we** can send the right person with the right tools to complete **your boiler service**. Please note, if **you** have not registered **your boiler** details with **us**, **we** may not be able to carry out the **boiler service** and **you** will not be eligible for a refund, however, **you** can contact **us** with **your boiler** registration details to arrange **your boiler service**.

#### Step 2:

**Our boiler service** network will contact **you** to arrange an appointment.

Servicing will not take place within the first 60 days of cover, however **your** boiler will be serviced within **your** 12-month policy term. This may mean that **you** have more than 12 months between **your** annual **services**.

**We** will attempt to contact **you** a minimum of three times to arrange **your boiler service**. If **we** are unable to make contact with **you** and therefore cannot complete **your boiler service**, **you** will not be eligible for a refund, however **you** can contact **us** to arrange **your boiler service**.

If **you** are unable to keep the arranged appointment **you** must notify **us** at least 48 hours in advance. Rearranging **your** appointment within 48 hours of the scheduled appointment and missed appointments will incur a 'missed appointment fee' of £90.

If upon attendance, the **boiler** is inaccessible, inoperable or displaying a fault, **we** will be unable to complete **your boiler service** but **you** will still be charged. Subsequent visits to service the **boiler** will be charged at the normal rate. **You** are required to notify **us** of any issues which will prevent the **boiler service** from being carried out as soon as possible and not less than 48 hours before **your** appointment so that it can be rescheduled.

### Paying for the annual service

The price on **your plan schedule** is already inclusive of the relevant cost and is spread equally across **your** payment instalments.

### What happens if you miss a payment

If **you** fail to make a payment **we** will notify **you** in writing within 5 working days and any scheduled **boiler service** appointment may be cancelled. If **you** do not pay the requested amount within 30 days of the due date this agreement will be cancelled and **you** will remain liable for any outstanding balance.
